Lexington has enjoyed a great many fine entertainments, amateur and professional, but it is safe to say that the greatest is yet to come. In the afternoon "As You Like It" will be presented; at night, either "Macbeth" or the famous Morality play, "Every Man." Everywhere he goes his marvelous reproduction of Elizabethan stage conditions and wonderful acting are greeted with enthusiasm. Suspected Murderer of Yowell in Jail

A. M. McCormick, who lives adjoining farm to W. I. Yowell, was brought to Lexington this afternoon by Constable J. J. Campbell, suspected of the murder of Mr. Yowell. He will be taken before Justice W. F. Templeton at Fairfield Monday, the 27th, for preliminary trial. Suspicion, it is alleged, points strongly to McCormick.

Mr. W. I. Yowell Shot to Death Near Donaldsburg

The killing of Mr. W. I. Yowell at his home near Donaldsburg last Sunday by some one unknown has stirred that community and the whole county. That such a crime could be committed in a law-abiding section of Rockbridge, and the criminal be undetected, passes belief. While suspicious point to one man as the possible perpetrator of the horrible crime, yet no arrests have been made. It is thought, however, that soon the suspect will be behind prison bars.

The story of the tragedy is as follows: Sunday morning Mr. Yowell, who lives near Donaldsburg, left his house shortly before noon to take a walk over his place. He did not return that night, and his absence was the source of alarm to his family. Next morning a search was instituted, and the dead body of the man was found by his wife near a fence some distance from the house and not far from a strip of woods. The man was in a sitting posture, with several bullet holes in his head.

News of the tragedy soon spread through the neighborhood and throughout the county. Dr. A. D. Estill of Lexington, coroner of the county, was summoned, and he left here for the scene of the crime shortly before noon Monday. Arrived on the ground, he issued a summons for six men to compose a jury of inquest to inquire into the death of Mr. Yowell. The following composed the jury: Messrs. W. H. Crist, A. P. McKee, J. H. Sheels, W. A. Alexander, H. P. Sheltman, I. G. Copper.

After hearing the evidence as to when, how and by what means Mr. Yowell came to his death, the jury brought in the following verdict: "That W. I. Yowell came to his death on the 19th day of April, 1908, from wounds in the head inflicted by bullets fired from a 32 calibre pistol in the hand of a party unknown to the jury."

Following is the testimony in detail as presented before the jury: Mrs. M. S. Yowell, wife of the dead man, "As he (Mr. Yowell) did not come in last night we got uneasy and (this morning) went to hunt for him. Saw Mr. John Yewen and I saw he knew nothing about him. Then saw Mrs. W. H. Hunt and inquired of her. She asked me if I had looked around the old buildings and I told her I had not. She then told me to go up the road that goes to the back new ground, and there I found him sitting beside the fence dead, and when I saw he had been shot I called Mr. Muse and staid near until the coroner came."

Mr. J. W. Green: "Mr. Muse told me Mr. Yowell was shot, and I went back with Mrs. Yowell and Mr. Muse and found Mr. Yowell was shot. He was on the ground beside the fence, sitting cross-legged, his head forward and neck resting on a rail of the fence. No sign of struggle."

Mr. H. T. Muse: "Mrs. Yowell and daughter came down through the woods crying. They told me Mr. Yowell was down there shot and asked me to come over there and get some one to come with me. I found Mr. Yowell sitting by the fence dead."

Mr. D. B. Polz: "I know of no threats against Mr. Yowell. I told no one that I had heard threats against him. Mr. O. S. Strole told me that if Mr. Yowell didn't put his fence up and his (Strole's) stock got in and Mr. Yowell crippled them he (Yowell) would have to bear the consequences. He didn't say what he would do. This conversation occurred one day last week. The fence referred to was a live fence."

Mr. William Lee Yowell, son of the dead man: "I heard a certain man say that when he caught any of us on the road he would whip us. I don't want to give his name at present."

Town Council Enacts Ordinance Against Sunday Ball

The following ordinance was enacted by the Town Council at their meeting last Thursday night: "If any person shall play baseball, golf or any other kind of ball within the corporate limits of the Town of Lexington or within one mile thereof, on the Sabbath day, he shall be fined not less than five dollars nor more than thirty dollars."

Mr. H. C. Wise, chairman of the Insurance Committee of the Lexington Board of Trade, appeared before the Council in the interest of taking such steps as will result in securing better insurance rates in Lexington. He recommended that some system of fire alarm be adopted, and that a telephone be placed in the firemen's building, so that notice of a fire at night could at once be communicated with some one in the firemen's building in order to give the alarm by the ringing of the bell. The matter was referred to a committee composed of Councilmen Rhodes, Deaver and Pole to investigate as to the cost of an alarm system and report as soon as possible. The Mayor was instructed to have a phone put in the firemen's building on the best terms possible.

Mr. E. A. Moore was elected to represent the town at the meeting of the State Corporation Commission to be held in Richmond the last week in April or the first week in May, for the purpose of considering the question of railroad improvement at the union station in Lexington and the suggested change of banking trains into the town from East Lexington. Mr. Moore will have associated with him Major William A. Anderson, Colonel Robert Catlett and Mr. A. W. Harman.

The Mayor recommended that some time in the near future be selected as "Spring Cleaning Time" for the town, and suggested that all premises be cleared up at that time, the town to furnish carts and hands to haul off the trash. It was suggested that the four days of next week, Tuesday, Wednesday, Thursday and Friday, April 28th, 29th, 30th and May 1st, be selected as the time for clearing up, beginning Tuesday with Section 1 of the fire wards and continuing through Sections 2, 3, and 4 respectively until the whole town is covered.

Mr. Thomas P. Wills, whose term of six months as superintendent of water and sewers will expire May 1st, was re-elected to that position for the rest of the fiscal year ending August 31st. Superintendent Wills was spoken of by members of the Council as being a most efficient officer.

A vitrified brick pavement was ordered to be laid on Lewis street between Main and Randolph, by the skating rink, leading to the hitching yard.

The street committee was authorized to investigate the cost of opening a street from the head of Henry street to Washington street, by the old E. K. Wilbourn house.

The building committee made a favorable report on the application of Dr. F. W. McCleure to build a frame residence on Jackson avenue, and the permit was granted.

John Spillan made application to build a frame residence on the street near the head of Henry street. Referred to the building committee with power to act, provided the house be covered with metal roof.

There were present at the meeting Mayor Kennedy, Councilmen Deaver, Hutton, Irwin and Rhodes, and Clerk Wade.

Order of Spring Cleaning Week

Following is the order to be observed by residents of the town next week in carrying out the idea of "Spring Cleaning Week." Residents of the several fire wards are urgently requested to co-operate with the town officials in making successful the plans suggested. The order of cleaning up is to be done on the following days in the sections named.

Jealous Lover Shot Sweetheart Near Colliertown

Gazette Correspondent

April 20.—On Sunday morning a gloom was cast over this entire section when one of the most dastardly tragedies that ever happened in this community was made known to the public.

On Saturday night, the 18th, between 9 and 10 o'clock Cecil Knick, a son of Wm. Knick, aged 20 years, shot his sweetheart, Miss Mary Clark, aged 18 years, with intent to kill, at the home of Mr. Graham Clark where the girl was making her home. It is alleged that they were to be married in a short time but under certain conditions made by the girl some time ago, that he (Knick) should refrain from any further drinking if she married him. It seems that Knick did not keep the promise and when he called on Miss Clark on Saturday night she reminded him of the contract and gave him the drop.

At that moment he drew his gun and opened fire on her, three shots. The first shot is the only one that might prove fatal, entering just above the right nipple and lodging near the back bone. The second shot went through the hand which at this time is giving her the most pain. The third shot took effect across the breast but not serious. Dr. Coleman extracted the first ball from the back. The girl is growing weaker at this writing. As yet Knick is at large. Sheriff Morrison and Constable Knick are in the search.

A few of our people have commenced corn planting. If the weather is favorable the bulk of the crop will be planted this week. Mrs. Edd Argemont of Staunton visited her friends at Martinsburg last week.

Messrs. Will and Herman Leach of Clifton Forge, Dick Leach, head manager of the Western Union Telegraph office at Staunton and Gilmore Leach of the firm of Huger, Davidson & Co. at Lexington (brothers) were greeted by their many friends at Colliertown last week.

Mr. W. A. Tribbett, Sr., has accepted a position as clerk in the store of Mr. J. W. Morrison at Oak Dale.

The Lord's Supper was celebrated on Sunday, the 19th, at Colliertown Presbyterian church.

Judge Houston's First Term

Buena Vista Times: Hon. W. P. Houston held his first term as Judge of the Corporation Court of Buena Vista this week, beginning Monday morning. There were no jury cases, but a good deal of chancery work to be disposed of.

The court officials and lawyers were delighted at the promptness and dispatch with which Judge Houston ruled on contested points and got through with business. Buena Vista has been peculiarly fortunate in always having men of first class ability to occupy the bench of the Corporation Court and the bar is confident that Judge Houston is more than up to high standard set heretofore.

Interesting Song Recital at the Public School

A large and interested crowd of friends and patrons of the Lexington Public Schools gathered in the assembly room of the Washington street building last Thursday noon to witness the first public song recital of the school. The participants were members of the fifth, sixth, seventh and eighth grades of the grammar school. The excellent program rendered was a source of much enjoyment to the visitors. The music was under the direction of Miss Lois Gorrell, teacher of music in the schools.

Promptly at 12:30 the eighth grade marched into the room singing the "Red, White and Blue", the other grades taking up the music as they entered and marching in by grades. When all had gathered, a most interesting program of popular and patriotic airs was presented, to the delight of the visitors. "America," which was sung at the opening, stirred the patriotism of all, and when the "Star-Spangled Banner" was rendered the audience rose to their feet until this national air was finished. The program was brought to a close with the stirring notes of "Dixie."

Patrons of the school have reason to be gratified with the progress the children have made this first year that vocal music has been taught.

Presbyterian Reception

The reception last Friday night in the Sunday school building by the young people of the Presbyterian church was an interesting occasion and was largely attended. About two hundred students and cadets were present, as were also quite a number of visiting young ladies. The room was tastefully decorated with lilacs, dogwood and potted flowers.

An interesting musical program was presented, consisting of solos and duets by Students Leith, Woodrum and Thomas and Captain Kelly of the V. M. I. Instrumental music was rendered by Mrs. Waite, Miss Catlett and Mr. Bell.

The committee in charge were the Young Ladies' Missionary Society and members of the "Nelson Myers Prayer Circle."

That languid, listless feeling that comes with spring and early summer, can be quickly chased to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired run-down nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually restoring that tired spot. The indoor life of winter rarely always leads to sluggish bowels, and to sluggish circulation in general. The customary loss of exercise and outdoor air riles up the liver, stagnates the kidneys, and often weakens the heart's action. Use Dr. Shoop's Restorative a few weeks and all will be changed. A few days' rest will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by Gorrell's Drug Store.
